

REMARKS

Claims 42-58 are new and pending, support for which may be found through the specification and drawings as filed, examples of which may be found at page 17 of the subject application. Claims 1-41 are cancelled.

Examiner Interview

An interview was performed between the above-referenced Examiner and the undersigned Attorney on September 6, 2007 during which the subject matter of the attached new claims were discussed which has support at pages 16-17 of the subject Application. The Applicant submitted that the rejection over U.S. Patent No. 6,065,041 to Lum et al. (hereinafter "Lum") would be overcome with such an amendment. The Examiner preliminarily agreed with the amendment and indicated that further review would be needed. The Applicant appreciates the time taken by the Examiner to discuss this case.

Conclusion

All of the claims are in condition for allowance. Accordingly, Applicant requests a Notice of Allowability be issued forthwith. If the Office's next anticipated action is to be anything other than issuance of a Notice of Allowability, Applicant respectfully requests a telephone call for the purpose of scheduling an interview.

Respectfully Submitted,
